Patterns for *Sômen.*
(Actual size)

Note that the bottom plate must be made to fit your own *sômen* and jaw, so there is no pattern here provided. Look at the *menpô* pattern for a sample of how this should be cut out and formed. Below is only an indicator of basic shape.

Upper section

Centerline (half pattern)

Lower section

Nose section

Centerline (half pattern)

Centerline (half pattern)
